

## What's New with Britannica Library? More Than You Can Imagine!

Get ready for an exciting 2024-2025 school year as Britannica Library rolls out new features across Young Children, Children, and Young Adults levels. From streamlined article navigation to the launch of vibrant interactive media, we're thrilled to showcase what's next.

The screenshot shows the Britannica Library Young Adults interface for an article titled "butterfly and moth". The interface includes a top navigation bar with the Britannica Library logo, a search bar, and a user profile. The article title is displayed in a red banner. Below the title is a large image of a morpho butterfly. To the left of the image is a sidebar with a "READING LEVEL" indicator (1, 2, 3), a "NAVIGATOR" section with "Introduction" selected, and a "TOOLS" section with buttons for "Cite", "Save", "Send", and "Print". Below the tools is a "BACK TO TOP" button. To the right of the image is a "More interactives!" button and a "New media carousel" button. Below the image is a caption: "morpho butterfly. ## Engaging New Article Formats

Britannica Library's new Children and Young Adult level article pages have been redesigned to enhance readability and engagement.

**Navigation buttons** allow you to jump from specific sections with ease.

**Bulleted lists and fun facts** break up text, making information digestible.

**Inclusive features** such as the OpenDyslexic font improve accessibility.

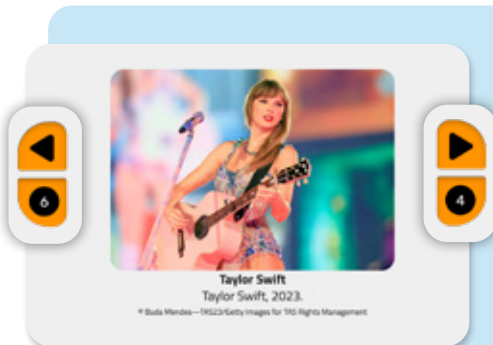

## Enhanced Tools and Learning Features

We've made significant updates to enhance engagement and create a more user-friendly experience.

### Inline Visuals

View photos, videos, and interactives directly within articles, aligning concepts with vivid media for direct correlation.

### Article Media Gallery

When opening an article, you can instantly preview all media. The 'jump to' button swiftly navigates to specific sections.

### Easy-to-Use Navigator

All tools are now centralized, enabling students to quickly navigate the Table of Contents, switch reading levels, and use features like citing and saving with ease.
